

26th
YRFM

Young Research Fellows Meeting
Journées Jeunes Chercheurs
a S.C.T. meeting

Faculty of Pharmacy, Paris Descartes University

4 avenue de l'Observatoire, 75006 Paris, France – February 20th-22nd, 2019

This meeting brings together about 300 young European scientists and gives them the opportunity to present their most recent results. Registration deadline: **December 20th, 2018**. Registration fees: 50 euros. Low cost rooms (50 euros for 2 nights) are available.

ONLY ONE MONTH TO REGISTER!

Register only on the website: www.sct-asso.fr/yrfm.html

Submit your abstract now! Submitted abstracts for oral communications & flash poster sessions will be peer-reviewed before acceptance. All submitted abstracts for poster sessions will be accepted.

Confirmed plenary lectures

Gilles Guichard (IECB, Bordeaux, France)

Fernanda Borges (School of Pharmacy, Porto, Portugal)

Gilles Pagès (IRCAN, Nice, France)

Chantal Andraud (ENS, Lyon, France)

Emmanuel Mikros (School of Pharmacy, Athens, Greece)

Souad Ammar (ITODYS, University Paris Diderot, France)

Bart Roman (University of Ghent, Belgium)

Steve Huvelle (University of Tours, France)

Specific session devoted to multi-targeted drugs on Friday afternoon, with the confirmed lectures

Stefano Alcaro (University of Catanzaro, Italy)

Danijel Kikelj (University of Ljubjana, Slovenia)

Eugenio Gaudio (Istitute of Oncology Research, Bellinzona, Switzerland)

Hanoch Senderowitz (Bar Ilan University, Tel Aviv, Israel)

Confirmed round table

How to get European funds? Marie Curie fellowships, ERC starting grants... the European H2020 grants.

Awards: The best communications will receive an award allowing young scientists in attending international meetings. **Individual career sessions:** Individual meetings with representatives of human resource managers.

Please feel free to contact the organizing committee:

young.medchem@sct-asso.fr

IMPORTANT NOTICE!

The YRFM will be organized in coordination with the 2019 COST-MuTaLig group meeting, to be held in the Faculty of Pharmacy of Paris in February, 23rd-24th, 2019. The aim of this European COST action is to join highly-qualified researchers working in medicinal chemistry into a network devoted to the multi-target issue in drug discovery. Please visit the COST-MuTaLig website www.mutalig.eu for more details!

Specific registration for the COST MuTaLig meeting ([free of fees](#)) is now open!

Registrations and abstracts must be sent to the following e-mail:

mutaligparis2019@gmail.com
